

CRAIG V. COMITER, M.D.

I. PERSONAL

Address: Stanford University Medical Center, Department of Urology, 300 Pasteur Drive, Room S-287, Stanford, CA 94305-5118

Telephone: (650) 725-6493 Fax: (650) 724-3463

email: ccomiter@stanford.edu

II. CHRONOLOGY OF EDUCATION

- 1998 - 1999 Fellow, Neurourology and Female Urology
Clinical Instructor, University of California, Los Angeles, Los Angeles, CA
- 1994 - 1998 Urology, Resident, Harvard Program in Urology, Boston, Ma
- 1993 - 1994 Resident, General Surgery, Brigham and Women's Hospital, Boston, MA
- 1992 - 1993 Intern, General Surgery, Brigham and Women's Hospital, Boston, MA
- 1988 - 1992 Harvard Medical School, Boston, MA, Medical Doctor Degree
- 1984 - 1988 Harvard College, Cambridge, MA.A.B., *Magna Cum Laude*, Biology.

EMPLOYMENT

- 2003-Present Associate Professor, Department of Surgery, Section of Urology, College of Medicine, University of Arizona
- 2002 -Present Chief, Section of Urology, Department of Surgery, College of Medicine, University of Arizona
- 2002-Present Residency Program Director, Section of Urology, Department of Surgery, College of Medicine, University of Arizona
- 1999-Present Clinical Instructor, Dept. of Obst. & Gyn., College of Medicine, University of Arizona
- 1999 - 2003 Assistant Professor, Clinical Surgery, Section of Urology, Department of Surgery, College of Medicine, University of Arizona
- 2004-Present Associate Professor, Surgery, College of Medicine, University of Arizona

HONORS AND AWARDS:

Undergraduate:

John Harvard Scholarship for academic excellence, Dean's List (each term)

Residency:

- 1996 First Prize, New England Resident Essay Contest Basic Science
- 1996 Second Prize, New England Resident Essay Contest Clinical Science
- 1997 Pfizer Scholar in Urology Award
- 1997 Winning Paper, Lapidus Essay Contest - co-author - New Orleans
- 1998 Pfizer Scholar in Urology Award
- Elected as Member of A.A.M.C. Organization of Resident Representatives

Faculty:

- 2001 First Prize Joseph F. McCarthy Essay Contest, Western Section AUA,
- 1999 Third Prize Joseph F. McCarthy Essay Contest, Western Section AUA

- 2002/2004 Southern Arizona VA Health Care System Gold Star Award for superior customer service
- 2002 Best Poster, “Dynamic MRI for the preoperative evaluation of pelvic visceral prolapse.” AUA Western Section.
- 2002 Prometheus Group’s Equipment Grant Program, for academic excellence in non-operative management of urinary incontinence
- 2002 Faculty Teaching Award, Section of Urology, University of Arizona
- 2002 Faculty Teaching Award, Dept. of Ob/Gyn, University of Arizona
- 2003 Take Home Message Session Speaker at Annual meeting of AUA
- 2006 First Prize Joseph F. McCarthy Essay Contest, “The role of angiotensin II in stress urinary incontinence: a murine model.” Western Section AUA, 2006
- 2006 Second Prize, Best of the Session “The effect of sildenafil citrate on bladder outlet obstruction in a mouse model.” Western Section AUA, Maui, HI, 2006.
- 2007 Outstanding Reviewer of the Year, Female Urology, Honorable Mention, 2006 Journal of Urology
- 2007 Top Ten Reviewer, Neurourology and Urodynamics
- 2007 4th Annual Consult on Incontinence, Appointed Member, Male Incontinence Panel
- 2007 Certificate of Appreciation for role as LCC Preceptor, University of Arizona, College of Medicine, LCC Preceptorship Program
- 2007 First Prize, Best of the Session “The effect of bladder outlet obstruction and sacral nerve stimulation on muscarinic and vanilloid receptor – a rat model.” Western Section AUA, Scottsdale, AZ, 2007.
- 2007 Second Prize, Best Poster for the Meeting “The effect of bladder outlet obstruction and sacral nerve stimulation on muscarinic and vanilloid receptor – a rat model.” Western Section AUA, Scottsdale, AZ, 2007.

SERVICE

OUTREACH:

Local/State:

2000-06 Preceptor, University of Arizona Medical School

National/International:

- 1986-88 Elected Program Chair – *An Evening With Champions* – raised over \$100,000 annually for Dana Farber Cancer Institute, Boston, MA.
- 2001 Scientific Session Moderator, Neurourology, Bladder and Urethra, Western Section, AUA, Anchorage.
- 2002 Scientific Session Moderator, Neurourology, Bladder and Urethra, Western Section, AUA, Kuaiu, HI, 2002.
- 2002-2005 Elected Member, Academic Leaders Forum, Western Section, AUA
- 2004 Scientific Session Moderator, Incontinence – Evaluation and Treatment, National AUA, San Francisco, CA, 2004
- 2004-2006 Elected Member, AUA Leadership Council
- 2007 Scientific Session Moderator, Pelvic Pain and Neuromodulation, Society for Urodynamics and Female Urology, San Diego, CA, 2007

2007 4th Annual Consult on Incontinence, Appointed Member, Male Incontinence Panel

Society Memberships:

Diplomat, American Board of Urology
American Urological Association
American Urological Association Western Section
Society for Urodynamics and Female Urology
International Continence Society
American Association of Clinical Urologists
Female Sexual Function Forum
International Society of Pelvic Neuromodulation
American Foundation for Urological Disease

Expert Reviewer

Expert Reviewer, Annals of Internal Medicine.
Expert Reviewer, Archives of Internal Medicine.
Expert Reviewer, Urology.
Expert Reviewer, Journal of Urology.
Expert Reviewer, British Journal of Urology
Expert Reviewer, Journal of Clinical Psychiatry
Expert Reviewer, Asian Journal of Andrology
Expert Reviewer, American Journal of Physiology
Expert Reviewer, The Scientific World Urology
Abstract Reviewer, Society for Urodynamics and Female Urology, 2005
Abstract Reviewer, American Urological Association, 2005, 2006, 2007

Departmental Committee(s):

2000-2002 Member, Peer Review Committee, University of Arizona Department of Surgery.
Member, Administrative Cabinet, Dept. of Surgery, University of Arizona

College Committee(s):

2000-2006 Interviewer, Admissions Committee, University of Arizona Medical School
Member, Graduate Medical Education Committee, University of Arizona, College of Medicine

Other Committee(s):

2004-2006 Member, Grievances Committee, University Medical Center
2005-2008 Member, Medical Executive Committee, University Medical Center
2004-2006 Winner, 1st annual American Urological Association Leadership Council
2005-2007 American Urological Association Foundation Bladder Advisory Council
2003-2008 Young Urologists Committee Appointed Member, AUA
2006-2007 Vice Chair, Young Urologists Committee, AUA
2005-2007 Appointed Member, Public Relations Committee, AUA
2004-2006 Appointed Member, Western Section AUA Essay Committee
2004-2007 Appointed Member, Bladder Research Committee, American Foundation for Urological Disease

| 12/2000 | Featured in Woman's Day Magazine. Novel Treatments for Incontinence. |

SCHOLARLY PRESENTATIONS:

Peer-Reviewed Meeting Abstracts

1. **Comiter, C.V.**, Capelouto, CC., Benson, C.B., et al.: Nonpalpable testis masses: detection and management. *J. Urol.*, 153: Abstract 67, 1995.
2. Schacterle, R.S., **Comiter, C.V.**, Sullivan, M.P., Yalla, S.V.: Combination of detrusor isometric contraction pressure (P_{iso}) and maximum urinary flowrate (Q_{max}) for predicting obstructive voiding dysfunction. *J. Urol.*, 155: Abstract 285, 1996.
3. Hutcheson, J.C., Sullivan, M.P., DuBeau, C.E., **Comiter C.V.**, Yalla, S.V.: Maximum voiding pressure in predicting bladder outlet obstruction. *J. Urol.*, 155: Abstract 284, 1996.
4. **Comiter, C.V.**, Sullivan, M.P., Yalla, S.V.: Retrograde leak point pressure for evaluating post-radical prostatectomy incontinence. *Neurourol. Urodyn.*, 15:297, 1996.
5. Lecamwasam, H.S., Sullivan, M.P., **Comiter, C.V.**, Cravalho, E.G., Yalla, S.V.: Is the maximum watts factor (WF_{max}) an independent measure of detrusor contractility? *Neurourol. Urodyn.*, 15:294, 1996.
6. **Comiter, C.V.**, Sullivan, M.P., Schacterle, R.S., Cohen L.H., Yalla, S.V.: Does chronic prostatic obstruction lead to impaired renal function? Proceeding of the 26th Annual Meeting of the International Continence Society: 75, 1996.
7. **Comiter, C.V.**, Sullivan, M.P., Schacterle, R.S., Yalla, S.V.: Prediction of prostatic obstruction with a combination of Q_{max} and P_{iso} . *Neurourol. Urodyn.*, 15:379, 1996.
8. **Comiter, C.V.**, Sullivan, M.P., Yalla, S.V., Kifor, I.: Effect of angiotensin II on corpus cavernosum smooth muscle in relation to nitric oxide environment: *in vitro* studies in canines. *Int. J. Imp. Res.*, 8:104, 1996.
9. Sullivan, M.P., Vickers, M.A., **Comiter, C.V.**, et al.: Modulation of erectile function with angiotensin II and angiotensin II receptor antagonists in canines. *Int. J. Imp. Res.*, 8:126, 1996.
10. **Comiter, C.V.** Evaluation of post-prostatectomy incontinence with retrograde leak point pressure. Presented at the New England Sectional Meeting of the American Urological Association, 1996.
11. **Comiter, C.V.** Can a combination of Q_{max} and P_{iso} predict bladder outlet obstruction? Presented at the New England Sectional Meeting of the American Urological Association, 1996.
12. **Comiter, C.V.** Non-germ cell malignant elements detected in patients with teratoma. Presented at the New England Sectional Meeting of the American Urological Association, 1997.
13. **Comiter, C.V.** Modulation of erectile function with angiotensin II and angiotensin II receptor antagonists in canines. Presented at the New England Sectional Meeting of the American Urological Association, 1997.
14. **Comiter, C.V.** Teratomas with malignant transformation: implications for treatment and prognosis. Presented at the New England Sectional Meeting of the American College of Surgeons, 1997.
15. Yalla, S.V., **Comiter, C.V.**, Sullivan, M.P.: Retrograde leak point pressure to assess urethral sphincter competence in patients with post radical prostatectomy incontinence. *J. Urol.*, 155: Abstract 396, 1997.
16. Yalla, S.V., **Comiter, C.V.**, Schacterle, R.S., Cohen, L.H., Sullivan, M.P.: Urodynamic risk factors for renal dysfunction in adult men with voiding dysfunction. *J. Urol.*, 157: Abstract 1002, 1997.

17. **Comiter, C.V.**, Kibel, A.S., Richie, J.P., Nucci, M.R., Renshaw, A.A.: Non-germ malignant elements detected in patients with teratoma. *J. Urol.*, 157: Abstract 1178, 1997.
18. Loughlin, K.R., Maranchie, J., Steele, G., Dahl, D., **Comiter, C.V.**: Application of the harmonic scalpel to perform partial nephrectomies in a porcine model. *J. Urol.*, 157: Abstract 1635, 1997.
19. **Comiter, C.V.**, Vasavada, S., Raz, S.: Dynamic MRI for the preoperative evaluation of pelvic visceral prolapse. *J. Urol.*, 161: Abstract 401, 1999.
20. **Comiter, C.V.** Incisionless bladder neck suspension using cadaveric fascia lata and transvaginal bone anchors. Presented at the annual meeting of the Society for Urodynamics and Female Urology, Dallas, 1999.
21. **Comiter, C.V.** Dynamic magnetic resonance imaging: Evaluation and grading of pelvic prolapse and pelvic floor relaxation. Presented at the annual meeting of the Western Section, American Urological Association, Monterey, 1999.
22. **Comiter, C.V.** A novel technique of incisionless pubovaginal sling using transvaginal bone anchors and cadaveric fascia. Presented at the annual meeting of the Western Section, American Urological Association, Monterey, 1999.
23. **Comiter, C.V.** Surgical management of pelvic floor relaxation: Rectocele and perineocele. Presented at the annual meeting of the Western Section, American Urological Association, Monterey, 1999.
24. **Comiter, C.V.** Repair of grade IV cystocele with cadaveric fascia lata and bone anchors: Transvaginal approach. Presented at the annual meeting of the Western Section, American Urological Association, Monterey, 1999.
25. **Comiter, C.V.**, Vasavada, S., Raz, S.: Dynamic MRI: A new grading system for pelvic prolapse and pelvic floor relaxation. Proceedings of the 29th Annual International Continence Society, Denver, 1999.
26. **Comiter, C.V.**, Vasavada, S., Raz, S.: Transvaginal culdosuspension following hysterectomy and enterocele repair. Proceedings of the 29th annual meeting of the International Continence Society, Denver, 1999.
27. **Comiter, C.V.**, Vasavada, S., Raz, S.: Preoperative evaluation of pelvic prolapse using dynamic magnetic resonance imaging. Proceedings of the 29th Annual International Continence Society, Denver, 1999.
28. Vasavada, S., **Comiter, C.V.**, Raz, S.: Grade IV cystocele repair using cadaveric fascia and transvaginal bone anchors. Proceedings of the 29th Annual International Continence Society, Denver, 1999.
29. Vasavada, S., **Comiter, C.V.**, Raz, S.: Incisionless pubovaginal sling using transvaginal bone anchors and cadaveric fascia. Proceedings of the 29th Annual International Continence Society, Denver, 1999.
30. Brar, P., **Comiter, C.V.**, Dresner, M.: Interstitial laser coagulation of the prostate in the critically ill patient. Presented at the annual meeting of the Western Section, American Urological Association, Palm Springs, CA, 1999.
31. **Comiter, C.V.**, Sullivan M.P., Yalla, S.V.: Correlation between maximal urethral closure pressure and abdominal leak point pressure in men with post-prostatectomy stress incontinence. Proceedings of the Society for Urodynamics and Female Urology, Los Angeles, 2001.

32. **Comiter, C.V.:** The male sling for post prostatectomy incontinence. Proceedings of the Society for Urodynamics and Female Urology, Los Angeles, 2001.
33. **Comiter, C.V., Sullivan M.P., Yalla, S.V.:** Effect of angiotensin II on corpus cavernosal smooth muscle: in vitro canine study. J Urol 165: Abstract 929, 2001.
34. **Comiter, C.V., Sullivan, M.P. and Yalla, S.V.:** Correlation between maximum urethral closure pressure and abdominal leak point pressure in men with post-prostatectomy stress incontinence. Presented at the Western Section, American Urological Association, Anchorage, 2001.
35. **Comiter, C.V.:** Male sling for stress incontinence: a prospective study. Presented at the Western Section, American Urological Association, Anchorage, 2001.
36. **Comiter, C.V.:** Male sling for stress incontinence: an update. Presented at National Meeting of the Society for Female Urology and Urodynamics, Orlando Florida, May 25, 2002.
37. **Comiter, C.V.:** Sacral Neuromodulation for Interstitial Cystitis. Presented at National Meeting of the Society for Female Urology and Urodynamics, Orlando Florida, May 25, 2002.
38. **Comiter, C.V.:** Male sling for stress incontinence: an update. Presented at National Meeting of American Urological Society, Orlando Florida, May 25, 2002.
39. Colgrove, P.M. and **Comiter, C.V.:** Urolume stent for chronic urinary retention: a low risk procedure. Presented at the Western Section, American Urological Association, Kuauai, 2002.
40. **Comiter, C.V.:** Suburethral sling and lateral defect cystocele repair – a transvaginal minimally invasive surgery for stress incontinence with moderate anterior vaginal prolapse. Presented at the Western Section, American Urological Association, Kuauai, 2002.
41. **Comiter, C.V.:** Sacral neuromodulation for interstitial cystitis – a pilot study. Presented at the Western Section, American Urological Association, Kuauai, 2002.
42. **Comiter, C.V.:** Male sling for stress incontinence: an update. Presented at the Western Section, American Urological Association, Kuauai, 2002.
43. **Comiter, C.V.:** The Male sling for stress incontinence. Presented at the International Continence Society, Heidelberg, Germany, 2002.
44. Ullrich, N. and **Comiter, C.V.:** The male sling for stress urinary incontinence: urodynamic and subjective assessment. Presented at the Western Section, American Urological Association, Las Vegas, 2003.
45. Ullrich, N. and **Comiter, C.V.:** The male sling for stress urinary incontinence: 24-month followup with questionnaire-based assessment. Presented at the Western Section, American Urological Association, Las Vegas, 2003.
46. **Comiter, C.V.** and Colgrove P.M.: High rate of vaginal extrusion of silicone-coated polyester sling. Presented at the Western Section, American Urological Association, Las Vegas, 2003.
47. **Comiter, C.V.:** Sacral neuromodulation for the treatment of refractory interstitial cystitis: A prospective study. Presented at the International Society for Pelvic Neuromodulation, San Diego, CA 2004.

48. **Comiter, C.V.** Copeland, D.: Sacral neuromodulation for the treatment of symptomatic interstitial cystitis: A prospective study. Presented at the National American Urological Association, San Francisco, 2004.
49. Purves, J.T., Do, R., Heimark, R., **Comiter, C.V.** : Discovery and population characterization of angiotensin receptors in the proximal urethra of the male mouse. Presented at the Western Section, American Urological Association, San Diego, CA, 2004.
50. **Comiter, C.V.** Copeland, D.: Sacral neuromodulation for the treatment of symptomatic interstitial cystitis: A prospective study. Presented at the 2004 AHSC Frontiers in Biomedical Research Poster Forum, Tucson, AZ, 2004.
51. **Comiter, C.V.**, Phull, H., Funk, J., Copeland, D., Purves, JT: The role of angiotensin II in interstitial cystitis: a murine model. Presented at the Western Section, American Urological Association, Vancouver, BC, Canada, 2005.
52. **Comiter, C.V.**, Phull, H., Funk, J., Copeland, D., Purves, JT: The role of angiotensin II in interstitial cystitis: a murine model. Presented at the Society for Urodynamics and Female Urology, Paradise Island, Bahamas, 2006.
53. Phull, H., Salkini M, Escobar C., Purves, JT, **Comiter, C.V.**: The role of angiotensin II in stress urinary incontinence: a murine model. Presented at the Society for Urodynamics and Female Urology, Paradise Island, Bahamas, 2006.
54. Beamon C, Phull, H., Salkini M, Mazur C, **Comiter, C.V.**: The effect of sildenafil citrate on bladder outlet obstruction in a mouse model. Presented at the Western Section AUA, Maui, HI, 2006.
55. Phull, H., Salkini M, Escobar C., Purves, JT, **Comiter, C.V.**: The role of angiotensin II in stress urinary incontinence: a murine model. Presented at the Western Section AUA, Maui, HI, 2006.
56. Beamon C, Phull, H., Salkini M, Mazur C, **Comiter, C.V.**: The effect of sildenafil citrate on bladder outlet obstruction in a mouse model. Presented at the Society for Female Urology and Urodynamics, San Diego, CA, 2006.
57. **Comiter, C.V.** , Rhee E.Y.: The VUE plus sling – a novel treatment for male stress urinary incontinence. Presented at the Western Section American Urological Association Annual Meeting, Scottsdale, AZ, 2007.
58. Mazar, C., Salkini, M., Ho, W., **Comiter, C.V.**: The effect of sacral nerve stimulation on detrusor function and structure in the setting of bladder outlet obstruction. Presented at the Western Section American Urological Association Annual Meeting, Scottsdale, AZ, 2007.
59. Mazar, C., Salkini, M., Ho, W., **Comiter, C.V.**: The effect of bladder outlet obstruction and sacral nerve stimulation on muscarinic and vanilloid receptors – a rat model. Presented at the Western Section American Urological Association Annual Meeting, Scottsdale, AZ, 2007.
60. **Comiter, C.V.**, Ginsberg D.A., Forero-Schwanhaeuser, S.: Treating the most bothersome symptom of overactive bladder syndrome: patient-reported outcomes from the largest single open-label trial of

solifenacin. Presented at the Western Section American Urological Association Annual Meeting, Scottsdale, AZ, 2007.

Scholarly Presentations – Invited Lectures (Colloquia, Seminars, Symposia and Conferences)

1. **Comiter, C.V.** The anatomy of stress urinary incontinence. Urology Grand Rounds, University of Minnesota, October 10, 1998. **Visiting Professor**
2. Raz, S and **Comiter, C.V.** Vaginal Reconstructive Surgery. Post Graduate Educational Course #009916 PG. Faculty, national meeting of the American Urological Association, Dallas, 1999.
3. **Comiter, C.V.** The pharmacological management of urinary incontinence. Presented at the Annual Meeting of the Southern Arizona Nurse Practitioners, Marriott Hotel, Tucson, September 11, 1999.
4. **Comiter, C.V.** Urgency and Incontinence and the Overactive Bladder: Evaluation and Management. Presented at grand rounds to audience of Internists and Geriatricians, Las Vegas Veteran's Association Medical Center, September 16, 1999.
5. **Comiter, C.V.** The neurourologic assessment. Surgical Core Lecture to 3rd year medical students. University of Arizona. October, 1999, November, 1999, December, 1999.
6. **Comiter, C.V.** Introduction to Urodynamics. Urology Grand Rounds. University of Arizona, November, 1999.
7. **Comiter, C.V.** Slings and strings for female incontinence. Urology Grand Rounds. University of Arizona, December, 1999.
8. **Comiter, C.V.** Evaluation of the incontinent patient: What tests to order and when. Presented at the 31st annual Tucson Seminar in Obstetrics and Gynecology, Tucson, February 21, 2000.
9. **Comiter, C.V.** Stress urinary incontinence: Which approach is best? Presented at the 31st annual Tucson Seminar in Obstetrics and Gynecology, Tucson, February 21, 2000.
10. **Comiter, C.V.** The Male Sling – A New Perspective on Post-Prostatectomy Incontinence. Presented at the Western Section American Urological Association Meeting, November 7, 2000.
11. **Comiter, C.V.** Female Incontinence – Work-up and Management. Presented at the Southwestern Hispanic American Medical Conference, El Paso, Texas, November 11, 2000.
12. **Comiter, C.V.** The Evaluation and Management of the Overactive Bladder. Presented at a CME Grand Rounds at Fort Huachuca, for Internists, Family Practitioners, November 30, 2000.
13. **Comiter, C.V.** Post-Prostatectomy Incontinence: Evaluation and Treatment. Presented at the Urology Grand Rounds, University of Arizona, December 6, 2000.
14. **Comiter, C.V.** Stress Urinary Incontinence, 2001: When to operate. Urology Grand Rounds, University of Massachusetts, July 24, 2001. **Visiting Professor**
15. **Comiter, C.V.** Stress Urinary Incontinence, 2001: When to operate. Urology Grand Rounds, Brigham and Women's Hospital, July 25, 2001.
16. **Comiter, C.V.** Slings and Strings: What Operation is Best? Urology Grand Rounds, Massachusetts General Hospital, July 26, 2001.

17. **Comiter, C.V.** Stress Urinary Incontinence: An Operative Approach. CME Lecture at the Annual Clinical Assembly of Osteopathic Specialists. October 6, 2001.
18. **Comiter, C.V.** The Male Sling: A New Treatment for Post-Prostatectomy Incontinence. CME Lecture at the Annual Clinical Assembly of Osteopathic Specialists. October 6, 2001.
19. **Comiter, C.V.** Sacral Neuromodulation for the Treatment of Refractory Urge Incontinence. CME Lecture, Denver, Colorado, December 15, 2001. University of Colorado CME Department.
20. **Comiter, C.V.** Surgery for Female Stress Incontinence – To Sling or Not to Sling. Las Vegas Urological Society, CME Lecture for Urologists, Las Vegas, NV, April 11, 2002.
21. **Comiter, C.V.** Male Sling for Stress Incontinence, Tripler Army Medical Center, October 28, 2002.
Visiting Professor
22. **Comiter, C.V.** Rational treatment for Benign Prostatic Hyperplasia. CME Lecture to Internists and Family Practitioners. San Diego, CA November 9, 2002.
23. **Comiter, C.V.** Male Sling for Stress Incontinence, Annual Meeting of the French Urologic Society, Paris, France, November 21, 2002.
24. **Comiter, C.V.** Male Sling for Stress Incontinence, Grand Rounds, Complejo Hospitalario Juan Canalejo, La Caruna, Spain, November 23, 2002. **Visiting Professor**
25. **Comiter, C.V.** Neuromodulation for the Overactive Bladder Condition. CME course for urologists and gynecologists. Denver, CO, January 11, 2003.
26. **Comiter, C.V.** Utility of PSA in Determining Appropriate Pharmacotherapy for BPH. CME talk for urologists, Salt Lake City, UT, January 22, 2003.
27. **Comiter, C.V.** Urodynamic Evaluation of Pelvic Floor Disorders. Grand Rounds, Neurology. University Medical Center, Tucson, AZ, January 31, 2003.
28. **Comiter, C.V.** The Pathophysiology of Benign Prostatic Hyperplasia. CME Talk for Urologists, Family Practitioners, Internists, Medical World Conferences, Las Vegas, NV, February 15, 2003.
29. **Comiter, C.V.** Therapeutic Options in Managing BPH. CME Talk for Urologists, Family Practitioners, Internists, Medical World Conferences, Las Vegas, NV, February 15, 2003.
30. **Comiter, C.V.** The Pathophysiology of Benign Prostatic Hyperplasia. CME Talk for Urologists, Family Practitioners, Internists, Medical World Conferences, Phoenix, AZ, March 1, 2003.
31. **Comiter, C.V.** Therapeutic Options in Managing BPH. CME Talk for Urologists, Family Practitioners, Internists, Medical World Conferences, Phoenix, AZ, March 1, 2003.
32. **Comiter, C.V.** Take-home messages: female urology and incontinence. AUA annual meeting, Chicago, May 1, 2003.
33. **Comiter, C.V.** The male sling for SUI, 2 year data with urodynamics. Arizona State Urological Association annual meeting, CME talk, Sedona, May 31, 2003.
34. **Comiter, C.V.** The surgical management of stress urinary incontinence in the elderly. Geriatrics Grand Rounds. University of Arizona Health Sciences Center, Tucson, AZ, June 19, 2003.

35. **Comiter, C.V.** Urgency incontinence – more than just anticholinergics. CME talk to nurse practitioners. Arizona Nurse Practitioners annual conference. Phoenix, AZ. July 26, 2003.
36. **Comiter, C.V.** Overactive bladder: new approaches to treatment. Talk to urologists and gynecologists, Tucson, AZ. July 30, 2003.
37. **Comiter, C.V.** Managing post-prostatectomy sphincteric insufficiency. Talk for urologists. Boise, ID. August 7, 2003.
38. **Comiter, C.V.** Managing post-prostatectomy sphincteric insufficiency. Talk for urologists. Reno, NV. August 8, 2003.
39. **Comiter, C.V.** Urodynamic evaluation of the man with LUTS. CME talk for urology residents and staff. Urology grand rounds. University of Arizona, Tucson, AZ. September 3, 2003.
40. **Comiter, C.V.** Management of incontinence in the elderly. CME conference for geriatricians. American Geriatric Society, Long Beach CA. October 4, 2003.
41. **Comiter, C.V.** Benign Prostatic Hyperplasia – what is it and how do we treat it? Medical Grand Rounds, CME, St. Mary’s Hospital, Tucson, AZ. October 8, 2003.
42. **Comiter, C.V.** Benign Prostatic Hyperplasia – what is it and how do we treat it? Medical Grand Rounds, CME, University Medical Center, Tucson, AZ. October 14, 2003.
43. **Comiter, C.V.** Benign Prostatic Hyperplasia – what is it and how do we treat it? Medical Grand Rounds, CME, Phoenix VAMC, Phoenix, AZ. October 24, 2003.
44. **Comiter, C.V.** Benign Prostatic Hyperplasia – what is it and how do we treat it? Medical Grand Rounds, CME, St. Mary’s Hospital, Phoenix, AZ. October 24, 2003.
45. **Comiter, C.V.** Multiple sclerosis – management of bowel, bladder, and sexual dysfunction. Multiple sclerosis society, Tucson, AZ. October 29, 2003.
46. **Comiter, C.V.** Sacral neuromodulation – from incontinence to retention. CME lecture to nurses, nurse practitioners, Society for Urologic Nursing, Las Vegas, NV. November 4, 2003.
47. **Comiter, C.V.** Management of the overactive bladder – workup and treatment. Gynecology grand rounds, Martin Luther King Hospital, Los Angeles, CA. November 12, 2003.
48. **Comiter, C.V.** Advanced urodynamics. CME, Urology Grand Rounds, University Medical Center, Tucson, AZ. December 19, 2003.
49. **Comiter, C.V.** Benign Prostatic Hyperplasia – what is it and how do we treat it? Medical Grand Rounds, CME, St. Joseph’s Hospital, Tucson, AZ. December 16, 2003.
50. **Comiter, C.V.** Benign Prostatic Hyperplasia – what is it and how do we treat it? Medical Grand Rounds, CME, Tucson Medical Center, Tucson, AZ. February 4, 2004.

51. **Comiter, C.V.** Post-prostatectomy incontinence and the male sling – a new paradigm. Society for Urodynamics and Female Urology, CME, Scottsdale, AZ. February 28, 2004.
52. **Comiter, C.V.** Urinary Incontinence and LUTS – What’s a Resident to Do? Medical Grand Rounds, CME, University Medical Center, Tucson, AZ. March 2, 2004.
53. **Comiter, C.V.** The Male sling for Stress Incontinence Following Prostate Cancer Surgery. Urology Grand Rounds, CME, Oregon Health Sciences Center, Portland, OR. March 12, 2004. **Visiting Professor**
54. **Comiter, C.V.** The Male sling for Stress Incontinence Following Prostate Cancer Surgery. Urology Grand Rounds, CME, University of Utah, Salt Lake City UT. June 22, 2004. **Visiting Professor**
55. **Comiter, C.V.** OAB in the 21st century – where do we go from here? Grand Rounds, Department of Internal Medicine, MLK Hospital, CME, Los Angeles, CA. July 22, 2004.
56. **Comiter, C.V.** OAB in the 21st century – where do we go from here? CME, Los Angeles, CA. July 23, 2004.
57. **Comiter, C.V.** Stress urinary incontinence – surgical management. Surgery Grand Rounds, CME, University of Arizona, Tucson, AZ. August 11, 2004.
58. **Comiter, C.V.** Essential urodynamics in men. CME course for residents and attending urologists, PREP-C course, CME, Western Section AUA, San Diego, CA. August 24, 2004.
59. **Comiter, C.V.** Neurogenic bladder disease in children. CME course for residents and attending urologists, PREP-C course, CME, Western Section AUA, San Diego, CA. August 24, 2004.
60. **Comiter, C.V.** Incontinence, Retention, and BPH: Core Medical Student Lecture. September 27, 2004.
61. **Comiter, C.V.** Lower Urinary Tract Function and Dysfunction. Core Lecture for 3rd and 4th year medical students. University of Arizona College of Medicine, Tucson, AZ. Sept 27, 2004.
62. **Comiter, C.V.** Stress Incontinence and Urge Incontinence in the Elderly. Geriatrics Symposium, 2004. CME lecture to primary care physicians, geriatricians, Long Beach, CA. October 9, 2004.
63. **Comiter, C.V.** Sacral neuromodulation – refresher course. CME course for urologists, gynecologists, Long Beach, CA. October 23, 2004.
64. **Comiter, C.V.** Lower Urinary Tract Function and Dysfunction. Core Lecture for 3rd and 4th year medical students. University of Arizona College of Medicine, Tucson, AZ. November 8, 2004.
65. **Comiter, C.V.** Benign Prostatic Hyperplasia – CME lecture to Internal Medicine Residents. Good Samaritan Hospital, Phoenix, AZ. November 12, 2004.
66. **Comiter, C.V.** Benign Prostatic Hyperplasia – CME lecture to Internal Medicine Residents. Phoenix VA Healthcare System, Phoenix, AZ. November 12, 2004.

67. **Comiter, C.V.** Voiding Dysfunction – Core lecture for 3rd year medical students. University of Arizona, Tucson, AZ. Jan 3, 2005.
68. **Comiter, C.V.** Lower Urinary Tract Function and Dysfunction. Core Lecture for 3rd and 4th year medical students. University of Arizona College of Medicine, Tucson, AZ. February 14, 2005.
69. **Comiter, C.V.** Evaluation of Post-Prostatectomy Incontinence. Society for Urodynamics and Female Urology, Orlando, FL, Feb 25, 2005. CME.
70. **Comiter, C.V.** Surgery for Post-Prostatectomy Incontinence. Society for Urodynamics and Female Urology, Orlando, FL, Feb 25, 2005. CME.
71. **Comiter, C.V.** Evaluation and Management of Incontinence Following Neobladder Surgery. Society for Urodynamics and Female Urology, Orlando, FL, Feb 25, 2005. CME.
72. **Comiter, C.V.** Benign Prostatic Hyperplasia – not just an autopsy diagnosis. CME lecture at Medical Grand Rounds, Good Samaritan Hospital, Phoenix, AZ, March 25, 2005.
73. **Comiter, C.V.** Benign Prostatic Hyperplasia – not just an autopsy diagnosis. CME lecture at Medical Grand Rounds, Phoenix Veterans Administration Hospital, Phoenix, AZ, March 25, 2005.
74. **Comiter, C.V.** Urinary Incontinence – Stress, Urge, I Can't Tell. CME Talk to primary care physicians and community outreach leaders. University of Arizona, Tucson, AZ. March 28, 2005.
75. **Comiter, C.V.** Urinary and Bowel Complications of Parkinson's Disease. Community outreach to Southern Arizona Parkinson's Disease Association. Green Valley, AZ. April 1, 2005.
76. **Comiter, C.V.** Overactive Bladder – Current Pharmacotherapy. Current Medical Opinion, Los Angeles, CA. April 8, 2005.
77. **Comiter, C.V.** Lower Urinary Tract Function and Dysfunction. Core Lecture for 3rd and 4th year medical students. University of Arizona College of Medicine, Tucson, AZ. April 11, 2005.
78. **Comiter, C.V.** Urinary incontinence and benign prostatic hyperplasia. Lecture to 3rd year medical students. May 33, 2005. University of Arizona, Tucson, AZ
79. **Comiter, C.V.** Sacral neuromodulation – introductory course. CME course for urologists, gynecologists, Minneapolis, MN. July 16, 2005.
80. **Comiter, C.V.** Voiding Dysfunction – Core lecture for 3rd year medical students. University of Arizona, Tucson, AZ. August 15, 2005.
81. **Comiter, C.V.** Interstitial Cystitis: a real disease with real treatments. 2005 Kaiser Permanente National Pelvic Floor Symposium. CME lecture for Internists, Family Practitioners, Urologists, Gynecologists. San Diego, CA. August 18, 2005.
82. **Comiter, C.V.** A multidisciplinary approach to pelvic floor disorders in the female. 2005 Kaiser Permanente National Pelvic Floor Symposium.. CME lecture for Internists, Family Practitioners, Urologists, Gynecologists. San Diego, CA. August 18, 2005.

83. **Comiter, C.V.** Overactive Bladder – New Oral Therapies. Lunchtime Seminar to Internists, Family Practitioners, Carondolet Healthcare, Tucson, AZ, September, 1, 2005.
84. **Comiter, C.V.** The role of angiotensin II in stress urinary incontinence – a rat model. Dean’s Research Council, Tucson, AZ September 7, 2005.
85. **Comiter, C.V.** Lower Urinary Tract Function and Dysfunction. Core Lecture for 3rd and 4th year medical students. University of Arizona College of Medicine, Tucson, AZ. October 3, 2005.
86. **Comiter, C.V.** Geriatric Urinary Incontinence. SCAN Healthcare Geriatrics Symposium, SCAN Healthcare, Indian Wells, CA. September 9, 2006.
87. **Comiter, C.V.** The overactive bladder – from basic science to pharmacotherapy. Vital Issues in Medicine. Tucson, AZ, September 22, 2006.
88. **Comiter, C.V.** Urinary Incontinence: PREP C-Course Director Western Section AUA, Maui, HI. October 23, 2006.
89. **Comiter, C.V.** Stress incontinence in the male: PREP C-Course on urinary incontinence. Western Section AUA, Maui, HI. October 23, 2006.
90. **Comiter, C.V.** Point-Counterpoint: Sacral neuromodulation versus Botox – the argument for Sacral Neuromodulation. Western Section AUA, Maui, HI. October 23, 2006.
91. **Comiter, C.V.** Basic Urodynamics. Urology Grand Rounds, University of Arizona, College of Medicine. Tucson, AZ. November 8, 2006.
92. **Comiter, C.V.** Inability to store because of the bladder – urinary urgency and urge incontinence. Obstetrics and Gynecology Grand Rounds, University of Arizona, College of Medicine. Tucson, AZ. November 8, 2006.
93. **Comiter, C.V.** Treatment of post-prostatectomy incontinence. Prostate Cancer Support Group, Northwest Hospital, Tucson, AZ, “Us,Too”, November 14, 2006.
94. **Comiter, C.V.** Inability to store, Inability to void – How to manage LUTS. Surgery student core lecture, University of Arizona, College of Medicine. Nov 20, 2006.
95. **Comiter, C.V.** Current management of overactive bladder. MedKnowledge Communications, Teleconference. December 12, 2006.
96. **Comiter, C.V.** Current management of overactive bladder. MedKnowledge Communications, Teleconference. January 25, 2007.
97. **Comiter, C.V.** Current management of overactive bladder. MedKnowledge Communications, Teleconference. February 6, 2007.
98. **Comiter, C.V.** The desire for dryness: modern management of the frequency/urgency syndrome. Antidote. Dallas, TX. February 23, 2007.

99. **Comiter, C.V.** What I Can Tell You About ACGME Residency Review 2006-7: What Do You Want T Know? Panel Discussion. Society of Urology Chairpersons and Program Directors 2007 Annual Meeting. Anaheim, CA. May 18, 2007.
100. **Comiter, C.V.** The Male Urethral Sling. Society of Genitourinary Reconstructive Surgeons 2007 Annual Meeting. Anaheim, CA. May 21, 2007.
101. **Comiter, C.V.** The role of sacral neuromodulation for the treatment of refractory urge incontinence – evidence-based approach. Post-graduate course, 2007 Annual American Urological Association Meeting, Anaheim, CA. May 23, 2007.
102. **Comiter, C.V.** The neurological basis of normal voiding physiology. Antidote. Scranton, PA. July 10, 2007.
103. **Comiter, C.V.** Urinary incontinence: evaluation and management – an evidence based approach. Antidote. Scranton, PA. July 10, 2007.
104. **Comiter, C.V.** The neurological basis of normal voiding physiology. Antidote. Pittsburgh, PA. July 11, 2007.
105. **Comiter, C.V.** Urinary incontinence: evaluation and management – an evidence based approach. Antidote. Pittsburgh, PA. July 10, 2007.
106. **Comiter, C.V.** The management of urinary incontinence in the elderly population. SCAN Healthcare 2007 Annual Geriatrics Symposium. Indian Wells, CA. September 29, 2007.
107. **Comiter, C.V.** What’s new in urinary incontinence – a research report. Friends of University Medical Center, University of Arizona, Tucson, AZ. October 4, 2007.
108. **Comiter, C.V.** Interstitial Cystitis – and evidence-based approach. Del Sol 2007 Annual Ob/Gyn conference. El Paso, TX. October 5, 2007.
109. **Comiter, C.V.** Anatomy and Physiology of normal voiding and storage function. PREP C Review Course, Western Section American Urological Association 2007 Annual Meeting, Scottsdale, CA. October 29, 2007.
110. **Comiter, C.V.** Urinary Incontinence in the Male – Evaluation and Management. PREP C Review Course, Western Section American Urological Association 2007 Annual Meeting, Scottsdale, CA. October 29, 2007.
111. **Comiter, C.V.** Neurogenic Voiding Dysfunction – Evaluation and Management. PREP C Review Course, Western Section American Urological Association 2007 Annual Meeting, Scottsdale, CA. October 29, 2007.

Industry Sponsored Lectures (Invited):

1. **Comiter, C.V.** Management of the painful bladder. Presented at Anthony's Inn the Catalinas. Audience of Internists, Gynecologists, Family Practitioners, October 19, 1999. Sponsored by Alza.
2. **Comiter, C.V.** The overactive bladder: More than just incontinence. Presented at the Arizona Inn. Audience of Gynecologists, Internists, Family Practitioners, October, 21, 1999. Sponsored by Pharmacia
4. **Comiter, C.V.** Management of the Overactive Bladder. Presented at a CME Course for Internists and Gynecologists, Hacienda Del Sol, Tucson, March 21, 2000. Sponsored by Alza.
5. **Comiter, C.V.** Management of the Overactive Bladder. Presented at a CME Course for Internists and Gynecologists, Paris Hotel, Las Vegas March 22, 2000. Sponsored by Pharmacia.
6. **Comiter, C.V.** Management of the Overactive Bladder. Presented at a CME Course for Internists and Gynecologists, Paris Hotel, Las Vegas March 22, 2000. Sponsored by Pharmacia.
7. **Comiter, C.V.** Management of the Overactive Bladder. Presented at a CME Course for Internists and Gynecologists and Primary Care Specialists, Hasiampa Inn, Prescott, April 25, 2000. Sponsored by Pharmacia
8. **Comiter, C.V.** Management of the Overactive Bladder. Presented at a CME Course for Internists and Gynecologists, Paris Hotel, March 22, 2000. Sponsored by Alza.
9. **Comiter, C.V.** Management of the Overactive Bladder. Presented at a CME Course for Internists and Gynecologists, Mandalay Bay Hotel, May 25, 2000. Sponsored by Alza
10. **Comiter, C.V.** Management of the Overactive Bladder. Presented at a CME Course for Internists and Gynecologists, Mandalay Bay Hotel, May 24, 2000. Sponsored by Alza.
11. **Comiter, C.V.** The management of post-prostatectomy incontinence: evaluation and treatment. Presented at Salt Lake City, February, 2001. American Medical Systems.
12. **Comiter, C.V.** Surgical and non-surgical management of female stress urinary incontinence. Salt Lake City, February, 2001. American Medical Systems.
13. **Comiter, C.V.** Treating Urge Incontinence and Overactive Bladder. Lecture for Family Practitioners, Tucson, AZ, July 16, 2001. Alza Corporation.
14. **Comiter, C.V.** How to Manage the Overactive Bladder – an Office Based Approach. Scottsdale, AZ, September 7, 2001. Pharmacia.
15. **Comiter, C.V.** How to Manage the Overactive Bladder – an Office Based Approach. Tucson, AZ, September 14, 2001. Pharmacia.
16. **Comiter, C.V.** Male Sling for Stress Incontinence, Lecture to Urologists, Fresno, CA, February 7, 2002. American Medical Systems.
17. **Comiter, C.V.** Male Sling for Stress Incontinence, Lecture to Urologists, Salt Lake City, UT, March 13, 2002. American Medical Systems.

18. **Comiter, C.V.** Post-Prostatectomy Incontinence – Treatment Options. Lecture to Urologists. Redding, CA, July 15, 2002. American Medical Systems.
19. **Comiter, C.V.** Sacral Neuromodulation as a Treatment for Urgency Incontinence. CME Lecture to Urologists. Salt Lake City, UT, September 13, 2002. Medtronic.
20. **Comiter, C.V.** Sacral Neuromodulation – Surgical Technique. CME Course for Urologists. Salt Lake City, UT, September 14, 2002. Medtronic.
21. **Comiter, C.V.** Benign Prostatic Hypertrophy – Evidenced-Based Treatment. CME Lecture for Urologists and Internists. Tucson, AZ, September 17, 2002. Merck.
22. **Comiter, C.V.** Benign Prostatic Hypertrophy – Update on Treatment Options. CME Lecture for Urologists and Internists. Tucson, AZ, September 17, 2002. Boehringer-Ingelheim.
23. **Comiter, C.V.** Post-Prostatectomy Incontinence – Treatment Options. Lecture to Urologists. Modesto, CA, September 19, 2002. American Medical Systems.
24. **Comiter, C.V.** Benign Prostatic Hypertrophy – Evidenced-Based Treatment. CME Lecture for Urologists and Internists. Tucson, AZ, November 13, 2002. Merck.
25. **Comiter, C.V.** Benign Prostatic Hypertrophy – Evidenced-Based Treatment. CME Lecture for Urologists and Internists. Tucson, AZ, November 14, 2002. Merck.
26. **Comiter, C.V.** New Approaches for the Management of the Overactive Bladder. Pharmacia, Tucson, AZ, February 27, 2003.
27. **Comiter, C.V.** Therapeutic Options in Managing BPH. CME Talk for Urologists, Merck, Chandler, AZ., April 9, 2003.
28. **Comiter, C.V.** Medical management of BPH with 5-alpha reductase inhibitors -- reducing retention and the need for surgery. Talk for internists and family practitioners. GSK, July 2, 2003.
29. **Comiter, C.V.** Medical management of BPH with 5-alpha reductase inhibitors -- reducing retention and the need for surgery. Talk for internists. GSK, Chandler, AZ. July 25, 2003.
30. **Comiter, C.V.** Medical management of BPH with 5-alpha reductase inhibitors -- reducing retention and the need for surgery. Talk for internists and nurse practitioners. GSK, Phoenix, AZ. July 25, 2003.
31. **Comiter, C.V.** Medical management of BPH with 5-alpha reductase inhibitors -- reducing retention and the need for surgery. Talk for internists. GSK, Chandler, AZ. August 6, 2003.
32. **Comiter, C.V.** Medical management of BPH with 5-alpha reductase inhibitors -- reducing retention and the need for surgery. Talk for family practitioners. GSK, Scottsdale, AZ. August 6, 2003.
33. **Comiter, C.V.** Medical management of BPH with 5-alpha reductase inhibitors -- reducing retention and the need for surgery. Talk for internists. GSK, Tucson, AZ. August 21, 2003.
34. **Comiter, C.V.** Medical management of BPH with 5-alpha reductase inhibitors -- reducing retention and the need for surgery. Talk for family practitioners and internists. GSK, Tucson, AZ. August 21, 2003.

35. **Comiter, C.V.** Medical management of BPH with 5-alpha reductase inhibitors -- reducing retention and the need for surgery. Talk for internists and nurse practitioners. GSK, Tucson, AZ. August 28, 2003.
36. **Comiter, C.V.** Medical management of BPH with 5-alpha reductase inhibitors -- reducing retention and the need for surgery. Talk for family practitioners. GSK, Oro Valley, AZ. September 4 , 2003.
37. **Comiter, C.V.** New insights regarding the management of BPH with 5-alpha reductase inhibitors -- reducing retention and the need for surgery. Talk for family practitioners and internists. GSK, Tucson, AZ. September 23, 2003.
38. **Comiter, C.V.** New insights regarding the management of BPH with 5-alpha reductase inhibitors -- reducing retention and the need for surgery. Talk for family practitioners and internists. GSK, Tucson, AZ. October 2, 2003.
39. **Comiter, C.V.** Management of the overactive bladder – what’s new and what’s newer? Talk for urologists, gynecologists, internists, family practitioners. Pfizer, Tucson, AZ. October 8, 2003.
40. **Comiter, C.V.** The modern management of BPH with 5-alpha reductase inhibitors -- reducing retention and the need for surgery. Talk for family practitioners and internists. GSK, Phoenix, AZ. October 22, 2003.
41. **Comiter, C.V.** Management of the overactive bladder – what’s new and what’s newer? Talk for urologists, gynecologists, internists, family practitioners. Pfizer, Scottsdale, AZ. October 22, 2003.
42. **Comiter, C.V.** Benign Prostatic Hyperplasia – what is it and how do we treat it? CME lecture to urologists, GSK, Tucson, AZ. November 5, 2003.
43. **Comiter, C.V.** Management of the overactive bladder – what’s new and what’s newer? Talk for urologists, gynecologists, internists, family practitioners. Pfizer, Casa Grande, AZ. November 11, 2003.
44. **Comiter, C.V.** Benign Prostatic Hyperplasia – what is it and how do we treat it and why? Lecture to urologists, GSK, Reno, NV. December 2, 2003.
45. **Comiter, C.V.** Management of the overactive bladder – workup and treatment. Lecture to obstetricians and gynecologists. Pfizer, Seattle, WA. December 3, 2003.
46. **Comiter, C.V.** Incontinence – bladder causes versus sphincter causes – multiple surgeries for the same symptoms. Lecture to urologists and urologic nurses. Pfizer, Seattle, WA. December 3, 2003.
47. **Comiter, C.V.** Benign Prostatic Hyperplasia – The role of alpha blockers in the year 2004. Lecture to Primary Care Physicians, Boehringer Ingelheim, Phoenix, AZ. February 17, 2004.
48. **Comiter, C.V.** The Male sling for Stress Incontinence Following Prostate Cancer Surgery. Lecture to Urologists, American Medical Systems, Tacoma, WA. June 15, 2004.

49. **Comiter, C.V.** Benign Prostatic Hyperplasia – The role of alpha blockers in the year 2004. Lecture to Primary Care Physicians, Boehringer Ingelheim, CME, Las Vegas, NV. September 23, 2004.
50. **Comiter, C.V.** Benign Prostatic Hyperplasia – The role of alpha blockers in the year 2004. Lecture to Urologists, CME, Boehringer Ingelheim, Tucson, AZ. September 29, 2004.
51. **Comiter, C.V.** The modern management of OAB – what have we learned? Pfizer, Phoenix, AZ. January 20, 2005.
52. **Comiter, C.V.** The modern management of OAB – what have we learned? Pfizer, Tucson, AZ. January 26, 2005.
53. **Comiter, C.V.** New advances in the management of OAB and urge incontinence. Glaxo-Smith Kline, San Diego, CA. February 3, 2005.
54. **Comiter, C.V.** New advances in the management of OAB and urge incontinence. Glaxo-Smith Kline, Tucson, AZ. March 9, 2005.
55. **Comiter, C.V.** New advances in the management of OAB and urge incontinence. Glaxo-Smith Kline, Las Vegas, NV. March 12, 2005.
56. **Comiter, C.V.** New advances in the management of OAB and urge incontinence. Glaxo-Smith Kline, El Paso, TX. February 11, 2005.
57. **Comiter, C.V.** New advances in the management of OAB and urge incontinence. Glaxo-Smith Kline, Albuquerque, NM. March 31, 2005.
58. **Comiter, C.V.** BPH – how to diagnose this difficult “disease”. Astellas, Tucson, AZ, April 21, 2005.
59. **Comiter, C.V.** New oral agents for the management of overactive bladder – is newer really better? Lecture to Ob/Gyn and Internal Medicine physicians, Pfizer, Tucson, AZ, June 23, 2005.
60. **Comiter, C.V.:** Modern management of BPH – medical, surgical, or neither. CME lecture to Internists, Family Practitioners, Phoenix, AZ, September 29, 2005, Boehringer Ingelheim.
61. **Comiter, C.V.** Management of the Overactive Bladder. Presented at a CME Course for Internists and Gynecologists, Santa Theresa, NM, June 22, 2000. Sponsored by SCS Healthcare.
62. **Comiter, C.V.** Stress Urinary Incontinence. Presented at a CME Course for Urologists, Westin Hotel, Denver, June 28, 2000. Sponsored by Apothecom Healthcare.
63. **Comiter, C.V.** Management of the Overactive Bladder. Presented at a CME Course for Internists and Gynecologists, Laguna Beach, CA, August 6, 2000. SCS Healthcare.
64. **Comiter, C.V.** Urinary Incontinence in the Female Patient. Presented at a CME Course entitled “Women’s Health Conference,” for Internists, Phoenix, Arizona, August 18, 2000. Pinal County Health and Social Services.
65. **Comiter, C.V.** The Evaluation and Management of the Overactive Bladder for the Urologist. Phoenix, AZ, April 29, 2001. Apothecom Healthcare.

66. **Comiter, C.V.** The Evaluation and Management of the Overactive Bladder for the Primary Care Physician. Presented at a CME course for Family Practitioners, Phoenix, AZ. May 9, 2001. SCS Healthcare.
67. **Comiter, C.V.** The Evaluation and Management of the Overactive Bladder for the Primary Care Physician. Tucson, AZ, May 11, 2001. SCS Healthcare.
68. **Comiter, C.V.** BPH: How to Evaluate and Manage the Enlarged Prostate. Presented at a CME course for Internists and Family Practitioners. Bisbee, AZ, May 16, 2001. Cochise County Health and Social Services.
69. **Comiter, C.V.** The Evaluation and Management of the Overactive Bladder for the Primary Care Physician. Tucson, AZ, May 24, 2001. SCS Healthcare.
70. **Comiter, C.V.** Overactive Bladder: Key Management Points for the Primary Care Physician. Tucson, AZ, June 13, 2001. Apothecom Healthcare.
71. **Comiter, C.V.** The Evaluation and Management of the Overactive bladder for the Primary Care Physician. Carefree, AZ, July 7, 2001. Apothecom Healthcare.
72. **Comiter, C.V.** New Concepts in the Management of BPH. CME course for primary care physicians. Sierra Vista, AZ, July 12, 2001. Cochise County Health and Social Services.
73. **Comiter, C.V.** New Concepts in the Management of the Overactive Bladder. CME course for primary care physicians. Phoenix, AZ, August 15, 2001. Apothecom Healthcare.
74. **Comiter, C.V.** The Etiology of Urinary Urgency and Urge Incontinence. CME course for Internists and Family Practitioners, Falk Healthworld, Phoenix Art Museum, Phoenix, AZ, August 15, 2001. Apothecom Healthcare.
75. **Comiter, C.V.** BPH: How to and When to Manage. CME Lecture at University of Nevada, Las Vegas, November, 27, 2001. SCS Healthcare.
76. **Comiter, C.V.** Urge Incontinence and Overactive Bladder, What Can be Done? Tucson, AZ, December 3, 2001. SCS Healthcare
77. **Comiter, C.V.** Urge Incontinence versus Overactive Bladder: Are they the Same? CME Lecture for Family Practitioners, Yuma, AZ, January 23, 2002. SCS Healthcare.
78. **Comiter, C.V.** Urge Incontinence: Outpatient Work-up CME Lecture for Internists, Family Practitioners, Tucson, AZ, February 15, 2002. Apothecom Healthcare.
79. **Comiter, C.V.** Pharmacotherapy for detrusor instability. CME Lecture for Urologists and Gynecologists, State of the Art Lecture Series, Phoenix, AZ, April 6, 2002. SCS Healthcare.
80. **Comiter, C.V.** The Overactive Bladder and Urge Incontinence: Outpatient Work-up CME Lecture for Internists, Family Practitioners, Tucson, AZ, March 20, 2002. SCS Healthcare.
81. **Comiter, C.V.** Urge Incontinence: Outpatient Work-up CME Lecture for Internists, Family Practitioners, Tucson, AZ, March 24, 2002. SCS Healthcare.
82. **Comiter, C.V.** Pharmacotherapy for detrusor instability. CME Lecture for Urologists and Gynecologists, State of the Art Lecture Series, Phoenix, AZ, April 6, 2002. Apothecom Healthcare.

83. **Comiter, C.V.** Urge and Urge Incontinence – Contemporary Treatment. CME Lecture to Internists and Family Practitioners. Riverside, California, April 17, 2002. SCS Healthcare.
84. **Comiter, C.V.** Urge Incontinence – Pharmacologic Treatment. CME Lecture to Internists and Family Practitioners and Urologists. San Diego, California, April 30, 2002. SCS Healthcare.
85. **Comiter, C.V.** Surgical Approach for Treating Female Incontinence. CME Grand Rounds at Fort Huachuca Hospital. Sierra Vista, AZ, May 2, 2002. Cochise County Health and Human Resources.
86. **Comiter, C.V.** How to Manage the Overactive Bladder – and Office-Based Approach. CME Lecture to Internists and Family Practitioners. Tucson, AZ, May 2, 2002. SCS Healthcare.
87. **Comiter, C.V.** Urge and Urge Incontinence – Contemporary Treatment. CME Lecture to Urologists and Internists. Spokane, Washington, May 8, 2002. SCS Healthcare.
88. **Comiter, C.V.** A New Approach to Managing Urgency. CME Lecture to Internists and Family Practitioners. Phoenix, Arizona, May 15, 2002. SCS Healthcare.
89. **Comiter, C.V.** State of the Art Lecture Series – The Ideal Muscarinic Receptor Antagonist. CME Lecture to Urologists and Gynecologists. Laguna Beach, CA, June 8, 2002. Apothecom Healthcare.
90. **Comiter, C.V.** Working Up the Overactive Bladder – How, When, Why? Lecture to Urologists. Phoenix, Arizona, June 12, 2002. SCS Healthcare.
91. **Comiter, C.V.** Urge Incontinence – Current Treatment. CME Lecture to Family Practitioners and Internists. Tucson, AZ, August 22, 2002. SCS Healthcare.
92. **Comiter, C.V.** A New Approach to Managing Urgency. CME Lecture to Urologists, Internists and Family Practitioners. Conference Call, September 17, 2002. SCS Healthcare.
93. **Comiter, C.V.** A New Approach to Managing Urgency. CME Lecture to Urologists, Internists and Family Practitioners. Conference Call, September 26, 2002. SCS Healthcare.
94. **Comiter, C.V.** A New Approach to Managing Urgency. CME Lecture to Urologists, Internists and Family Practitioners. Conference Call, October 8, 2002. SCS Healthcare.
95. **Comiter, C.V.** A New Approach to Managing Urgency. CME Lecture to Urologists, Internists and Family Practitioners. Conference Call, October 9, 2002. SCS Healthcare.
96. State of the Art Lecture Series – The Ideal Muscarinic Receptor Antagonist. CME Lecture to Urologists and Gynecologists. Las Vegas, Nevada, October 12, 2002. Apothecom Healthcare.
97. **Comiter, C.V.** Current Treatment for Overactive Bladder. CME Lecture to Family Practitioners and Internists. Tucson, AZ, October 18, 2002. SCS Healthcare.
98. **Comiter, C.V.** Utility of Clinical Evaluation, Urodynamics and PSA in Determining Appropriate Treatment for BPH. SCS Healthcare, Tucson, AZ, February 13, 2003.
99. **Comiter, C.V.** Utility of Clinical Evaluation, Urodynamics and PSA in Determining Appropriate Treatment for BPH. SCS Healthcare, Albuquerque, NM, February 26, 2003.
100. **Comiter, C.V.** Medical Management of BPH. Talk for Urologists Family Practitioners, Internists, Glaxo Smith Kline, Tucson, AZ, March 4, 2003.

101. **Comiter, C.V.** The surgical management of stress urinary incontinence – how, why, when. Edith M. Hart Annual Medical Staff Retreat, CME talk for various physicians. Lincoln Health Network. Tucson, AZ, June 1, 2003.
102. **Comiter, C.V.** Management of the overactive bladder – what’s new and what’s newer? Talk for urologists, gynecologists, internists, family practitioners. Pfizer, Los Angeles, CA. November 12, 2003.
103. **Comiter, C.V.** OAB in the 21st century – where do we go from here? Pfizer, Los Angeles, CA. July 23, 2004.
104. **Comiter, C.V.** Detrol LA: Competitive Weaknesses. Current Medical Opinion, Santa Barbara, CA. May 1, 2005.
105. **Comiter, C.V.** Overactive bladder – pharmacological management. Novartis, Tucson, AZ. September 22, 2006.
106. **Comiter, C.V.** Overactive bladder – pharmacological management. Novartis, Tucson, AZ. September 29, 2006.
107. **Comiter, C.V.** Primary care management of urgency and urge incontinence. Ideon Healthcare, Tucson, AZ. October 4, 2006.
108. **Comiter, C.V.** Primary care management of urgency and urge incontinence. Ideon Healthcare, Deming, NM. October 6, 2006.
109. **Comiter, C.V.** What the Urologic Resident Needs to Know About OAB. Pfizer, Tucson, AZ. October 11, 2006.
110. **Comiter, C.V.** OAB state of the science presentation. Astellas, Dana Point, CA. November 18, 2006.
111. **Comiter, C.V.** OAB: Interactive case-building exercise. Astellas, Dana Point, CA. November 18, 2006.
112. **Comiter, C.V.** Differentiating amongst the OAB medications: side effects versus safety. Novartis, Dallas, TX, January 27, 2007.
113. **Comiter, C.V.** The management of severe urge incontinence – more than 21 accidents per week. Pfizer, Tucson, AZ, February 28, 2007.
114. **Comiter, C.V.** LUTS due to the bladder – a primer for primary care physicians. Novartis, Pasadena, CA, March 21, 2007.
115. **Comiter, C.V.** The role of angiotensin II in stress urinary incontinence. Novartis, Pasadena, CA, March 21, 2007.

116. **Comiter, C.V.** Management of the overactive bladder syndrome in men – what about the prostate? Pfizer, Inc. Sierra Vista, AZ, April 24, 2007.
117. **Comiter, C.V.** Management of the overactive bladder syndrome in men with concomitant BPH: a diagnostic and therapeutic dilemma. Tucson, AZ, May 2, 2007, Pfizer, Inc.
118. **Comiter, C.V.** Benign Prostatic Hyperplasia: An autopsy diagnosis in our living patients. Sierra Vista, AZ. May 8, 2007, Boehringer Ingelheim.
119. **Comiter, C.V.** Management of the overactive bladder syndrome in men Yuma, AZ. May 9, 2007, Pfizer, Inc.
120. **Comiter, C.V.** Management of the overactive bladder syndrome in men with concomitant BPH: a therapeutic dilemma. Yuma, AZ. May 9, 2007, Pfizer, Inc.
121. **Comiter, C.V.** Urinary Incontinence due to the bladder – a rodent model and how it applies to humans. Amarillo, TX. July 27, 2007. Astellas.
122. **Comiter, C.V.** Management of the overactive bladder syndrome – a primer for primary care physicians. Phoenix, AZ. July 31, 2007. Pfizer.
123. **Comiter, C.V.** Management of the overactive bladder syndrome – a primer for primary care physicians. Glendale, AZ. July 31, 2007. Pfizer.
124. **Comiter, C.V.** Management of the overactive bladder syndrome – a primer for primary care physicians. Scottsdale, AZ. July 31, 2007. Pfizer.
125. **Comiter, C.V.** Benign Prostatic Hyperplasia – effects on the bladder and voiding function. Phoenix, AZ. August 23, 2007. Boehringer-Ingelheim.
126. **Comiter, C.V.** Benign Prostatic Hyperplasia – effects on the bladder and voiding function. Peoria, AZ. August 24, 2007. Boehringer-Ingelheim.
127. **Comiter, C.V.** Incontinence – bladder versus outlet. Tucson, AZ. August 29, 2007. Astellas.
128. **Comiter, C.V.** Urinary incontinence in the female – what to do if the bladder is the cause? Tucson, AZ. October 16, 2007. Astellas.
129. **Comiter, C.V.** Tolterodine efficacy in sexually active women with overactive bladder. Tucson, AZ. October 17, 2007. Pfizer.

131. **Comiter, C.V.** Benign Prostatic Hyperplasia – effects on the bladder and voiding function. Mesa, AZ. October 18, 2007. Boehringer-Ingelheim.

GRANTS:

1. Principle Investigator

Industry supported study, Uroplasty

HSC#00-151 A MULTICENTER, RANDOMIZED, BLINDED, CONTROLLED TRIAL SPONSORED BY UROPLASTY, INC. TO INVESTIGATE THE SAFETY AND EFFICACY OF THE URETHRAL BULKING AGENT MACROPLASTIQUE FOR THE TREATMENT OF FEMALE STRESS URINARY INCONTINENCE (SUI)

2000 – 2005

2. Principle Investigator

Industry supported study, Pfizer

A1481041 A RANDOMIZED, DOUBLE-BLIND STUDY (WITH OPEN-LABEL EXTENSION) TO EVALUATE THE SAFETY AND EFFICACY OF VIAGRA (SILDENAFIL CITRATE) IN HISPANIC AMERICANS WITH ERECTILE DYSFUNCTION

2000-2001

3. Co-Principle Investigator

5% effort

NIH Grant Chemoprevention Trial of Selenium and Prostate Cancer

HSC#97-57 PHASE I AND II CHEMOPREVENTION TRIAL OF SELENIUM AND PROSTATE CANCER

HSC #97-57 CHEMOPREVENTION TRIAL OF SELENIUM AND PROSTATE CANCER

HSC #99-11 PHASE III TRIAL OF SELENIUM FOR PROSTATE CANCER PREVENTION

2000-2002

4. Principle Investigator

Industry supported study, Sanofi-Synthelabo

EFC4428: A DOUBLE-BLIND RANDOMIZED PARALLEL GROUP STUDY OF ALFUZOSIN 10 MG OD VERSUS PLACEBO IN THE MANAGEMENT OF ACUTE URINARY RETENTION IN PATIENTS WITH A FIRST EPISODE DUE TO BPH

2001-2003

5. Principle Investigator

Industry supported study, American Medical Systems

A MULTI-CENTER PROSPECTIVE STUDY OF THE LONG TERM EFFECTIVENESS OF THE AMS SILICONE SYNTHETIC SLING

2001-2003

6. Principle Investigator

20% effort

NIH supported grant

CPCR N RCT #1:05/01/01

A MULTICENTER, RANDOMIZED CLINICAL TRIAL TO EVALUATE THE EFFICACY OF ORAL CIPRO, ORAL FLOMAX AND THE COMBINATION OF ORAL CIPRO AND ORAL

FLOMAX FOR THE TREATMENT OF CHRONIC PROSTATITIS/CHRONIC PELVIC PAIN
SYNDROME
2001-2003

7. Principle Investigator

Industry supported study, American Medical Systems

A MULTI-CENTER PROSPECTIVE STUDY OF THE DYNAMIC MALE SLING
2003-2005

8. Principle Investigator

5% effort

University of Arizona Faculty Small Grant

The role of Angiotensin II in Interstitial Cystitis – Murine Model

12/14/03-12/13/04

9. Principle Investigator

5% effort

Warner Foundation Women's Center of Excellence Grant

The role of Angiotensin II in Stress Incontinence -- Rat Model

7/15/04 – 7/14/05

10. Principle Investigator

Industry supported study, Pfizer

5% effort

Pfizer Independent Research Grant

The role of Phosphodiesterase Type 5 Inhibition in Remodeling the Obstructed Bladder –
Murine Model

12/15/04 – 12/14/05

11. Principle Investigator

Industry supported clinical trial, Watson

1% effort

EFFICACY OF OXYTROL PATCH FOR THE TREATMENT OF OVERACTIVE
BLADDER

10/31/04 – 10/30/05

12. Principle Investigator

Industry supported clinical trial, Advanced Bionics

1% effort

EFFICACY OF THE BION PUDENDAL NERVE STIMULATOR FOR THE TREATMENT OF
FREQUENCY AND URGENCY.

5/1/05 – 4/30/07

13. Principle Investigator

Industry supported clinical trial, Advanced Bionics

1% effort

EFFICACY OF THE BION PUDENDAL NERVE STIMULATOR FOR THE TREATMENT OF
URGENCY INCONTINENCE.

9/1/05 – 8/30/07

14. Principle Investigator
Industry supported clinical trial, American Medical Systems
1% effort
A MULTI-CENTER PROSPECTIVE STUDY OF INHIBIZONE-COATED INTEMESH FOR
THE PERINEAL BONE-ANCHORED MALE SLING
2005-2007
16. Principle Investigator
Industry supported basic science, Medtronic, Inc.
5% effort
EFFECT OF CHRONIC SACRAL NERVE STIMULATION ON MUSCARINIC AND
VANILLOID RECEPTOR EXPRESSION – A RAT MODEL
2006-2007
17. Principle Investigator
Industry supported study, Astellas
5% effort
Astellas Independent Research Grant
The role of Solifenacin in Reversing Detrusor Overactivity in the Obstructed Bladder –
Murine Model
11/1/06 – 10/31/07
18. Principle Investigator
Industry supported clinical trial, Advanced Neuromodulation Systems
1% effort
A MULTI-CENTER PROSPECTIVE STUDY OF SPINAL STIMULATION FOR TREATMENT
OF INTERSTITIAL CYSTITIS
2006-2008
19. Principle Investigator
Industry supported clinical trial, Medtronic, Co.
1% effort
A MULTI-CENTER PROSPECTIVE STUDY OF SACRAL NEUROMODULATION VERSUS
PHARMACOTHERAPY FOR THE TREATMENT OF FREQUENCY, URGENCY, URGENCY
INCONTINENCE.
2007-2008
20. Principle Investigator
Industry supported clinical trial, Allergan.
1% effort
A MULTI-CENTER PROSPECTIVE STUDY OF BOTOX FOR THE TREATMENT OF
NEUROGENIC VOIDING DYSFUNCTION IN PATIENTS WITH RESPIRATORY
EMBARRASSMENT
2007-2008

This is a true and accurate statement of my activities and accomplishments.
